Rolling on a River

So guys I decided to write this because I was told to. I got lazy and I forget the character names from when I last read it so have fun. I took three min utes to write this please praise me.

so poor girl went to buy an apple. she wuz happeely merried to dark hair guy, the one that wasn't her brother.

she bumped into someone and looked up to see their face.

"s-s-s-s-s-s-s-s-s-s-sempai?!" a heavy blush cam eover her face

he looked down to see her and siad "OMO is it you blonde poor girl!?"

she said yes brother it is me and im very miserable so u should go away before I fuck you because I can no longer contain myself"

im sorry, he said, but I cant do that with u. UR MY MOTHERFUCKING SISTER!"

ok bye she said

they didn't actually part though. they really did the exact opposite ;)

End
file.
